They are coming back. Who? The Old Maids have had great luck! They went to the Klondike but didn't find gold. We will give further notice of them!

Mr. Arthur Jernagin of Fern Springs, was in town Thursday and says that the corn crop in his section is as good as he ever saw, and barring the prospects of damage by the boll weevil, the cotton is equally as good. It is the general opinion that the weevil is not as numerous as last year, and hopes are entertained that a much bigger crop will be gathered. Unlike almost every other section of the county, a good rain would be welcome, as one root-soaker, he says, would insure a good crop of old corn.

MARRIAGES

CHAPPELL-COOK

The quaint little Baptist church at Pushmataha was thronged with interested friends and relatives on Wednesday afternoon, June 21st, to witness the marriage of Miss Bertie Louise Cook to Mr. W. Preston Chappell.

The church was simply but tastefully decorated with amilax and clusters of crepe myrtle, palms and ferns. An arch was erected just in front of the pulpit and here the couple stood to make their vows.

Immediately after the ceremony Mr. and Mrs. Chappell left in an automobile for Meridian where they took the train for Biloxi to spend ten days, after which they will be at their country home near Eutaw.

The bride is a descendant of a long line of distinguished Choctaw people. She is and has enjoyed a wide popularity in southern Alabama and Mississippi where she has often visited.

The groom needs no introduction to the people of Pickens county where he was born and reared and has a large number of friends who congratulate him upon his good fortune. —Pickens County Herald.

MOORE-ROBINSON

Mr. Jack Moore and Miss Gladys Juanita Robinson were married on Thursday, June 22d, at the home of the bride's mother, Mrs. Eunice Robinson, in Fulton, Ky. The bride is a niece of Mrs. L. W. Graham of this place and has many friends in Macon, where she has visited on several occasions.

Fine Sheep

Mr. J. S. Cavett received by express this week a thoroughbred Shropshire ram and two thoroughbred ewes of the same breed. They are beautiful sheep with fine, close-growing wool which cover them all over except the nose. They are from the Locust Lawn Farm in Illinois, a noted sheep farm which has imported in the last few years many Shropshires from England at an average cost of over \$200 a head. Mr. Cavett's sheep are not imported, but out of imported ewes by imported rams.

Cemetery Association

The Cemetery association will meet with Mrs. E. E. Dantzier Tuesday afternoon at five o'clock. It will be an important meeting as new officers will be elected.

It is the urgent request of the association that each member pay their dues. Macon is exceedingly fortunate in being so strong a business force among the ladies of the association and it should be a pleasure to the inactive members to pay their dues.

Banks to Close

On account of holiday the banks of Macon will be closed on Tuesday, July Fourth.

The Stork

Kate French is the name of a little daughter born to Mr. and Mrs. Earl Adams, June the 25th.

Some of the finest crops in the county, and we do not believe it would be an exaggeration to say that the corn crop is the finest, is between Macon and Mashulaville. Mr. Polk Farrar says that one more rain would insure as good a crop of corn as he ever raised, and Polk is no slouch of a farmer and has the reputation of raising good crops in poor years.
